

The success of our Youth Program depends upon our families. Please check the ways in which either parent would be willing to help out:

- Assisting with Programs
- Supervise special events (swing-a-thon, retreats, etc.)
- Driving for youth group trips
- Help shop for retreats / special events
- Additional Assistance in the kitchen (Parents of all junior high students are required to prepare, serve, and clean-up for at least one meal during the program year.)
- Host a senior high event (e.g., dinner dialogue, pool party, etc.)

Are there any other ways not listed that either parent may be able to help out? _____
