

Christmas Eve: Important Information for In-Person Worship

We are so happy to share this Christmas Season with you! Even with the disappointment of growing COVID numbers, we trust God and know there is still joy and hope to be found. We pray that you will experience peace and love during this time and always. SPC is offering multiple opportunities to worship together on Christmas Eve, both in person and on-line.

In order to keep everyone safe during our in-person services, we are asking the following:

1. For anyone planning to attend a service in person, *whether you are a church member or a visitor*, please pre-reserve your seat for one of our many Christmas Eve services by clicking this link <https://forms.gle/SokAsb9Be3aaoF53A>. We will be operating with a reduced capacity limit, and once our capacity is reached, we will not be able to accommodate additional worshippers in person.

2. If you know that you need to change or cancel your reservation, please contact the church office before 10AM on Thursday, December 23rd.

3. On Christmas Eve, please arrive in your mask and enter through the doors closest to the parking lot. Our Deacons will greet you and usher you to your seat. To help with COVID safety, we will be seating people every other row. Please help our hard-working Deacons by not requesting to sit in a specific location.

We sincerely thank all our volunteers who will be helping on Christmas Eve and ask that you be gracious with them and the directions they give.

Even with the challenges of this time, we expect Christmas Eve to be a joyous occasion. Thank you for your cooperation and attention to these details, and please contact the church office with any questions. We'll see you on December 24th, either in person or online!
